WHEN WILL I RECEIVE MY FUNDRAISING GOODIES?

Fundraising goodies will start being sent out in mid-September once the receipts have been confirmed.

*Goodies are limited by quantity – see [full terms and conditions here](#).

WHAT IF I CAN'T DO THOSE DATES?

That's not a problem! You can hold your Muddy Puddle Walk on whatever day suits you and your children. Our online fundraising pages will stay open until December.

WHAT WILL I GET IN MY FUNDRAISING PACK?

Your Muddy Puddle Fundraising Pack will be sent out from June.

The pack is full of ideas to help busy grown-ups plan a great walk, including activities, fundraising tips to help you top up your total, and stories to help your little ones learn about the lives of other children around the world.

You'll also get advice from Peppa and her friends to help you decide which walk's right for you, planning tips and posters, stickers and muddy puddles to decorate.

HOW CAN WE RAISE MONEY?

There are lots of easy ways to raise money on your Muddy Puddle Walk. And however you fundraise, you'll help Save the Children make life better for children around the world.

Your Muddy Puddle Fundraising Pack is full of great ideas to raise money – so you can choose which option will work best for you and your children. You could ask for a donation from parents at your childcare or early learning provider, or hand out sponsorship forms to everyone who takes part.

Or, why not hold a Muddy Puddle Pie sale at your childcare or early childhood provider or home and ask for donations from everybody who buys a tasty treat? The extra money you raise could mean Save the Children can help get food to children who have to go to bed hungry every night.

You can be as creative as you like – ask for donations per puddle, or come up with your own challenge for your little ones. And don't forget to get your fellow teachers involved as well!

WHAT IF WE CAN'T GO OUTSIDE?

That's okay! You can still get involved and help children around the world. Set up a treasure hunt or an obstacle course inside and make your own muddy puddles using the puddle templates in your Fundraising Pack. Or if you can't get to your local park, why not go for a walk in the playground and make puddles out of mud and water – or even paint?

HOW LONG SHOULD MY WALK BE?

We suggest 800m for older children but your walk can be as short or as long as you like. Just make sure you choose a route that's safe and suitable for your children's capabilities. You will receive tips for planning a great walk in your Fundraising Pack.

WHERE DO THE FUNDS GO?

From every \$1 you give us, we invest 73 cents to benefit children through our health, education, child protection and humanitarian response programs, and through increasing public awareness of international aid and development issues. We invest 12 cents to raise the next \$1 and 6 cents to commercial activities such as our retail stores. The remaining 9 cents is invested to ensure we have the talented people, infrastructure and systems we need to manage and deliver our programs for children.
